

Library Network
Eastern University, Sri Lanka
2016

Introduction

The Library Network of the Eastern University, Sri Lanka comprises the Main Library which caters the faculties of Agriculture, Arts & Culture, Commerce & Management and Science, one branch library for the faculty of Health Care Sciences, Trincomalee Campus Library for the faculties of Communication & Business Studies and Applied Sciences and the Institute Library of Swami Vipulanandha Institute of Aesthetics Studies for the faculty of Music.

Though the facilities of the EUSL libraries available at present are considerably less than the requirements in the present situation and further more to synchronize with the fast developing information revolution, there is a diverse collection of information resources in the EUSL libraries, especially in terms of the breadth and depth of coverage. The collection is multi-disciplinary, encompassing a variety of subjects related to the established faculties and a full range of services is provided in each of four libraries including loans, inter library loan, reference and advisory services.

VISION

In accordance with the mission of the Eastern University, Sri Lanka, to be a center of excellence in higher education with emphasis on national relevance, international recognition and development, the library network is mounting as an exclusive cohort in the teaching, learning and research activities of the University.

MISSION

The libraries are to support the university's commitment to excellence in higher education by;

- ▮ providing quality information services to students, staff and the community at large.
- ▮ developing resources without prejudice and limitation to languages, contents and formats.
- ▮ ensuring a continuous free flow of information via state of the art technology.
- ▮ collaborating with university, institutional and governmental libraries in Sri Lanka for resource sharing.

2. HOW TO LOCATE A DOCUMENT

The most efficient way to identify the location of a document is to use the Library Card Catalogues. (On-Line Catalogue is also in trial operation- <http://10.19.192.111:8080/opac/html/SearchForm>). The Books in the Libraries are arranged on the shelves according to the DEWEY DECIMAL CLASSIFICATION (DDC) System.

The Card Catalogue located in the libraries is in two parts:

1. **Author / Title Catalogue** which contains entries for all works are arranged in one alphabetical sequence by the names of Authors, Titles etc.
2. **Classified Catalogue** contains entries for all works according to their Subject, arranged by DDC numbers. In order to use these Catalogues, one needs to know the Subject Index. i.e Class Numbers relevant to one's Subject area.

An example of a Catalogue Card is shown in **page no. 25**.

The first level of Subject Index based on the DDC system is provided in the last pages of this booklet. (***Pages from 26 to 30***)
