

## **Award of Excellence in Research with regard to Regional / National significance**

### **Purpose of Award**

To recognize, encourage and support research of regional and national significance to maximize impact to the economy, culture and society with a concern to natural environment by Eastern University Sri Lanka. It is anticipated to establish strategic alliances with key external public and private organizations, and conduct research (especially link Honours degree research projects), thereby disseminating the findings for development and quality improvement of community.

### **Description of the Award**

Award of excellence in research consists of certificate and cash prize. The award is presented for students at the Annual Research Secessions / conferences and for staff at Meritorious Award Ceremony of the Eastern University Sri Lanka.

### **Eligibility**

1. To be eligible for this award, a student must hold an active student registration and a staff must hold a permanent faculty position.
2. To be eligible for this award, student should earn a minimum of **60 marks** according to the marking scheme.

### **Awards**

#### **Section A**

Three awards per Faculty for students with quality research outputs from examined research reports relevant to regional issues/needs to be disseminated by the Faculty Research Committee. The awards will be given at Annual Research Sessions / Conferences.

#### **Dissemination**

- A.1. Presented to specially invited audience to whom those to be disseminated.
- A.2. Abstracts will be invited and significant preference (priority) shall be given to that research emanating from undergraduate research projects. These will be published as abstracts in the proceedings.

## **Section B**

**Best Researcher** for the year who's research had made an impact to the community/environment (Regional / National Impact) over a period of 3 years.

## **Application Procedure**

### **Section A**

#### **A.1.**

The editorial committee of the ARS will choose quality research outputs from examined research reports relevant to Regional / National needs to be disseminated.

#### **A.2.**

Abstracts will be invited and significant preference (priority) shall be given to that research emanating from undergraduate research projects.

### **Section B**

The applicant should submit a self-prepared application along with supporting materials to the Dean's Office for the scrutiny by the Academic Staff Appraisal Committee (ASAC).

## **Selection Procedure**

1. The ASAC of the faculty evaluates submitted documents and recommend eligible candidates (students and staff) to the Faculty Board. Importantly this committee may decide not to nominate a candidate if provided evidences are insufficient or false.
2. The decision of the Faculty Board will be informed to the Senate and the Council for approval.

**Final Marks for award = (40% of the Section A + 60 % of the Section B)**

- Minimum requirement of Section A to proceed Evaluation of Section B is Section A 30% (75 out of 100).
- Minimum requirement of Section B is 30% (50 out of 100).
- Therefore, overall eligibility to consider for the Award (Final Marks) is

**Section A + Section B  $\geq$  60**

- In order of Merit 3 students can be selected / Faculty (as per EUSL Research Policy Document).
