## Vice Chancellor's Report

It is with great pleasure that I present the Annual Report of Eastern University, Sri Lanka (EUSL) for the year 2018. The University comprises with six faculties, a Campus at Trincomalee and an Institute for aesthetic studies. EUSL is continuously striving to provide excellent conducive learning environment for students, and have been adopting a policy of providing residential facilities for all undergraduate students.

It is worth noting that a conducive environment

prevailed in the University that contributed towards learning, research, dissemination of knowledge and community outreach. Notable significance is that two academics from Faculty of Science received the Presidential Awards and seven academics received National Research Council Merit Award for their research publications. Moreover, it is noteworthy that Fifteen research articles with EUSL affiliation have been published in the year 2018 in journals indexed by Web of Science (Clarivate Analytics).

In addition to the academic activities, the students were involved in co- and extra-curricular activities such as sports, aesthetic, cultural and religious activities that mould a wholesome graduate. EUSL has a rich blend of multi-ethnic, multi-religious student community which provides a unique opportunity to experiment cultivation of harmony.

I take this opportunity to express my gratitude to the Council, the Senate, the academic community, and the administrative and nonacademic staff of EUSL for making the year 2018 productive.

**Professor F. C. Ragel** Vice Chancellor Eastern University, Sri Lanka

#### **1.2 Overview**

In 2018 the Eastern University, Sri Lanka continued to deliver its academic activities through its eight faculties and 37 departments of study.

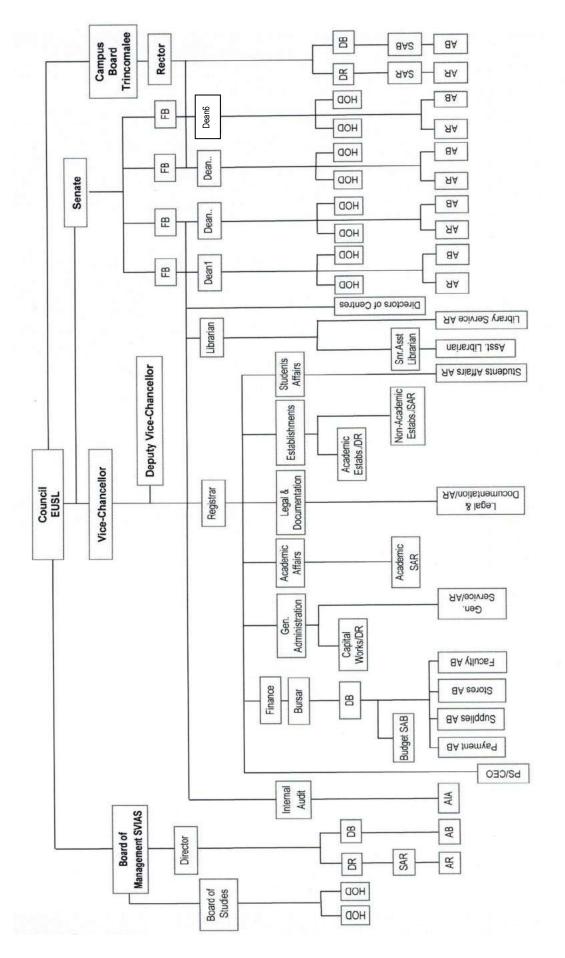

*The Eastern University, Sri Lanka (EUSL)* was started as the Batticaloa University College on the 1<sup>st</sup> of August 1981 in Vantharumoolai with two faculties, namely Faculty of Science and Faculty of Agriculture, which was affiliated to the University of Peradeniya. It was then upgraded as a fully-fledged university in 01<sup>st</sup> of October, 1986. After that Faculty of Commerce and Management and Faculty of Cultural Studies were established in 1988. The Faculty of Cultural Studies was then expanded and renamed the Faculty of Arts & Culture in 1991. The Faculty of Health-Care Sciences was established by Gazette notification on 23<sup>rd</sup> November, 2004. The Faculty of Technology is a 6<sup>th</sup> faculty in EUSL which was established by Gazette notification on 18<sup>th</sup> January, 2018.

*Trincomalee Campus* of the Eastern University was originally established as Trincomalee Affiliated University College in April 1993 at Trincomalee which was affiliated to the Eastern University, Sri Lanka. When the University College system was abolished, Trincomalee Affiliated University College was upgraded as Trincomalee Campus of the Eastern University, Sri Lanka which was established with effect from 15<sup>th</sup> June 2001 by Gazette notification dated 6<sup>th</sup> June 2001 with the two Faculties, namely Faculty of Communication and Business Studies and Faculty of Applied Science. Subsequently a unit of Siddha Medicine was also established.

*Swamy Vipulananda Institute of Aesthetic Studies (SVIAS)* was affiliated to Eastern University, Sri Lanka from the 1<sup>st</sup> of March 2005. Before affiliation it was called Swamy Vipulananda College of Music and Dance, established by the Ministry of Regional Affairs and Hindu Culture in 1981 and then under the Ministry of Cultural Affairs.

Eastern University, Sri Lanka has a strong focus on producing competent graduates to serve socio-economic and cultural needs of the country. It is also striving to enhance its research capacities with specific emplanes in promoting multidisciplinary research to serve the needs of the region and country. It also realizes its role to provide peace and harmony to the region.

#### e. New Faculty and Study Programs

Eastern University, Sri Lanka is working on introducing new degree programs on disciplines of current interest.

 In keeping with the policy of producing skilled graduates for the workforce, the 'Faculty of Technology' is working on developing degree programmes on Bachelor of Information & Communication Technology and Bachelor of Engineering Technology (Energy & Environment).

- The Faculty of Arts & Culture has developed a study programme Bachelor of Hindu Civilization through a proposed new Faculty of Hindu Civilization. The faculty is also working on developing degree programmes in Law, Archeology and also in Peace Studies.
- Trincomalee Campus is in the process of developing degree programmes in Marine Sciences/Marine Engineering for a proposal to establish a new faculty. The Faculty of Communication and Business Studied, Trincomalee Campus is developing a degree programme on Tourism and Hospitality.

## **1.3 Failure and Justification**

- There have been lack of focus on an institutionalized effort on Internal Quality Assurance and orienting the curriculum development / revisions incorporating modern trends such as Outcome Based Education and Student-Centered learning (SCL) as it was not been in the old Corporate Plan / Action Plan.
- There has not been an integrated plan for research development concentrating on local needs and high impact research of international significant, and measure are being taken to rectify the gap.
- University has faced more student unrests due to various issues and measures are being taken to build stakeholder confidence on the institutional governance.
- Limitation of staff resource and physical facilities are ongoing struggles, which resulted in delay of calendar and our requests for the required resources have been communicated to higher authorities.

## 1.4 Future Plan

The University has won the following competitive grants under Accelerating Higher Education Expansion and Development (AHEAD) Project that would additionally contribute to the above stated strategy. ELTA-ELSE Faculty Development Grants won by Faculty of Science and Faculty of Agriculture (Rs. 100 Mn each), and ELTA-ELSE Department Development Grants won by three departments, namely Department of Animal Science, Department of Commerce and Department of Language & Communications Studies(15 Mn each) will enhance Learner Centered Teaching (LCT), and enable to implement Outcome Based Education (OBE) and blend socio-emotional skills into the curriculum, and also enhance English Language as second language to achieve UTEL benchmarks. The above stated AHEAD project activities are directly related to strategies 1.1.2, 1.2.1, 1.2.2, 1.4.2, 1.4.3 and 1.4.4. Consolidated funds will be utilized for entities do not benefit from the AHEAD programme.

The Goal-2 of the Strategic Plan shows that research is promoted in two fronts: (1) for socioeconomic development of the region and nation; and (2) for generation of new knowledge of global significance/impact. More funds are reserved to develop a vibrant research culture, and two Development Oriented Research (DOR) grants (Rs. 40 Mn each) under AHEAD project will add value for this goal. Encouraging and facilitating overseas collaborations (e.g. inviting visiting scholars) to study local issues is a future strategy to enhance quality research output, particularly in the field of social sciences and humanities.

The University is in the process of establishing a Consciousness Based Education Unit integrating ancient wisdom (meditation/yoga) with insights in modern science (quantum physics, unified field and neuroscience) to stimulate a realization of fundamentals how nature behaves connecting to values of spirituality, thereby stimulate a self-realized transformation (seeking solutions for drug addiction, ragging, stress, self-centeredness, desperateness, etc.).

Vice-chancellor,

Eastern University, Sri Lanka

Report of the Auditor General on the Financial Statements and other Legal and Regulatory Requirements of the Eastern University, Sri Lanka for the year ended 31 December 2018 in terms of Section 12 of the National Audit Act, No. 19 of 2018.

#### 1. Financial Statements

#### 1.1 Qualified Opinion

The audit of the financial statements of the Eastern University, Sri Lanka ("University") for the year ended 31 December 2018 comprising the statement of financial positions as at 31 December 2018 and the statement of financial performance, statement of changes in net assets and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with provisions of the National Audit Act No. 19 of 2018 and Finance Act No. 38 of 1971. My report to Parliament in pursuance of provisions in Article 154 (6) of the Constitution will be tabled in due course.

In my opinion, except for the effects of the matters described in the basis for Qualified Opinion section of my report, the accompanying financial statements give a true and fair view of the financial position of the University as at 31 December 2018, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

#### I.2 Basis for Qualified Opinion

- (a) In terms of Sri Lanka Public Sector Accounting Standard-07, Land and buildings should be accounted for separately, even though when they were acquired together. However, the value of land and buildings of the University as at 31 December 2018 amounting to Rs. 2,712,073,167 had been shown together without showing the value of land separately.
- (b) The maintenance of an institution becomes doubtful without the sufficient assistance of the Treasury and the Government as the net assets thereof had significantly eroded following the continuous deficit sustained by the institution. Adverse General reserve have been observed continuously in the financial statements of the University.
  - (c) Eleven numbers of Lands, total extent of 210.3 Hectares and buildings there of belongs to the University had not been valued and brought to the Financial Statements.
- (d) A sum of Rs. 75 million which had been paid for construction of five story Building complex for the Faculty of Communication and Business Studies and Two Story Building complex for Auditorium in Trinco Campus had not been shown in the Work in Progress account.
- (e) A sum of Rs. 506,258 had been paid to academic staff for Post Graduate Research and Scholarships for the year 2018. However, it was charged under other operating expenses instead of charging to Intangible Assets account.
- (f) According to the financial statements, sum of Rs. 9,751,892 and Rs. 1,408,946 shown as receivable from SVIAS and University Grant Commission respectively. However, these balances had not been reflected in the financial statements in the above institutions as payable to the University. Therefore, the accuracy, reliability and recoverability of those balances could not be verified in audit.
- (g) Cash in transit amounting to of Rs. 9,400,000 which was shown in the previous year financial statements had been changed as sundry debtors amounting to Rs. 9,300,319. However, the University had not submitted any evidences to audit regarding the above changes of the previous balances.

பிரின் பிரைவை கிலையில் தேசிய கணக்காய்வு அலுவலகம் NATIONAL AUDIT OFFICE

- (h) Depreciation for the vehicle and IT Development of the Trincomalee campus as at end of the year under review were Rs. 8,818,186. However, this amount had been shown as Rs. 4,641,750 in the Financial Statements. As a result, the value of assets were understated by Rs. 4,176,436 in the financial statements.
- (i) Closing balance of fixed assets amounting to Rs. 3,279,124,194 in the previous year financial statements had been brought to the current year accounts as opening balances amounting to Rs. 3,273,604,684 in the year under review, thus showing a difference of Rs. 5,519,510 in the financial statements.
- (j) The balance of the Vice Chancellor's Fund at the end of the year under review, as per the financial statements, was Rs. 2,194,647. According to schedules for financial statements, the said fund was Rs. 2,340,078. This resulted an unexplained difference of Rs, 145,431.

I conducted my audit in accordance with Sri Lanka Auditing Standards (SLAuSs). My responsibilities, under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my Qualified opinion.

1.3 Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Public Sector Accounting Standards, and for such internal control as management determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the University ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the University or to cease operations, or has no realistic alternative but to do so.

பிலில் கல்கை கிலைக்கு கில கிலைக்கு கில

Those charged with governance are responsible for overseeing the University financial reporting process.

As per Section 16(1) of the National Audit Act, No. 19 of 2018, the University is required to maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared by the University

#### 1.4 Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sri Lanka Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Sri Lanka Auditing Standards, 1 exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control

ජාතික විගණන කාර්යාලය தேசிய கணக்காய்வு அலுவலகம் NATIONAL AUDIT OFFICE

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the University ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the University to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

the implementation of the USAB's order and stay orderdated 10 may 2005 valid up to 13 June 2005 was given by the Court of Appeal in this regard. Further extensions of stay orders had not been issued. However, the University had failed to consider the expiry of the stay order and failed to implement the order of the USAB. As a result, the said lecturer had been confirmed in his post, promoted to Senior Lecturer Grade II, and granted a duty free vehicle permit and three years scholarship to follow PhD study program with salary.But he had not completed his PhD studies and became bond defaulter. No action had been taken to recover bond value amounting to Rs. 4,545,418 for more than two years from him. However, he had been appointed as a visiting lecturer and sum of Rs. 290,000 had been paid to him for the period from 01.08.2017 to 05.12.2018.

As a result of the negligence and non-responsiveness of the officers concern to a summon sent by the District Court Batticaloa, regarding a case filed by a candidate (plaintiff) who had been discriminated by the University, the case has been fixed as exparte and court has ordered to pay sum of Rs. 1,000,000 to the plaintiff as compensation. University has spent a sum of Rs. 257,650 as legal charges against this order. However, Council of the University has decided to give up this case and sum of Rs. 500,000 had been paid from the University fund to the plaintiff.

(vi) A former Rector of Trincomalee Campus had been terminated on 25 July 2009 from his posts. Then, he had been subsequently reinstated with effect from on 25 July 2009.Further, he was given all privileges with pay until November 2015 based on the recommendation of the grievance committee. The said Lecturer had

- (xiii) The university had allocated a sum of Rs. 9,998,812 to a Professor and Senior Lecturer who had presented their research proposals during the period from the 2015 to 2017 and out of that, a sum of Rs. 1,500,000 had been obtained by the respective lecturers as research grant. Nevertheless, the aforesaid lecturers had not forwarded the research report even up to now.
- (xiv) The permanent approved cadre of the academic staff is 284 and the actual cadre is 204. Out of the 80 vacancies, 23 vacancies had been professors. Even though, vacancies remained in the academic staff four lecturers had been granted sabbatical leave.
- (xv) The number of vacancies in the non academic staff had been 93. Action had not been taken to fill these vacancies.
- (xvi) In terms of the Letter No.NP/SP/SDG/17 of 14 August 2017 on sustainable development issued by the Secretary to the Ministry of National Policies and Economic Affairs and the "2030 Agenda" for Sustainable Development of the United Nations, the University was aware of the manner in implementing the functions that come under its scope. However, action had not been taken to identify the sustainable development goals, targets relating to those functions and focal points to reach those targets and indices for measuring the achievement of targets.
- (xvii) Attention of the University had not been to the matters pointed out in previous Auditor General report and corrective action had not been taken to ratify the issues undermentioned.
  - (a) Fund received from Norwegian University of Science and Technology (NTNU) linked with foreign funded project for the Human Capital Development of the Academic staff of the Eastern University amounting to Rs. 6,296,639 had been kept in the current account from 2011 without utilizing for the intended purpose and not been effectively used up to the date of this report.

a)	In terms of Sri Lanka Public Sector Accounting Standard-07, Land and buildings should be accounted for separately, even though when they were acquired together. However, the value of land and buildings of the University as at 31 December 2018 amounting to Rs. 2,712,073,167 had been shown together without showing the value of land separately.	Admitted. Obtaining ownership of the land and the revaluation process of Buildings belongs to the EUSL is in progress. Once the process is over the revalued amount will be disclosed separately in the financial statements as per the Sri Lanka Public Sector Accounting Standards No.07.
b)	The maintenance of an institution becomes doubtful without the sufficient assistance of the Treasury and the Government as the net assets thereof had significantly eroded following the continuous deficit sustained by the institution. Adverse General reserve have been observed continuously in the financial statements of the University.	Admitted. This is due to large amount of deprecation charged and non- revaluation of fixed assets. Once revalued the assets, the general reserve will become positive.
c)	Eleven numbers of Lands, total extent of 210.3 Hectares and buildings there of belongs to the University had not been valued and brought to the Financial Statements.	Admitted. Obtaining ownership of the Land and the revaluation process of Buildings belongs to the EUSL is in progress. Once the process is over it will be brought in to the financial statements.
d)	A sum of Rs. 75 million which had been paid for construction of Five Story Building complex for the Faculty of Communication and Business Studies and Two Story Building Complex for Auditorium in Trinco Campus had not been shown in the Work in Progress account.	Not admitted. This Rs .75 Million had been paid as part of 10% Mobilization Advance in beginning of the construction project. Therefore it should be considered as Mobilization Advance and taken in to account as debtors. (Please Refer Financial Statement -2018 Note 22)
e)	A sum of Rs. 506,258 had been paid to academic staff for Post Graduate Research and Scholarships for the year 2018. However, it was charged under other operating expenses instead of charging to Intangible Assets account.	Admitted. It will be rectified.

	<ul> <li>The eligible required qualification for the Bidder was C-06 or above (Highway) for the above construction. However Technical Evaluation selected and awarded Grade C-3 bidder without following Public Finance Circular No.04/2016(i) dated 30.09.2018 and verifying of post qualification criteria contrary to the section 5.3.5, Supplement -9 of Procurement Manual Dated 04 May 2007.</li> </ul>	The Bid had invited through NCB method in the press with ICTAD C 6 or above grade as only one bidder had responded and it was awarded to the contractor as per the bid documents who was eligible
	• It was observed the Engineer attached to the Road Development Authority (RDA) Batticaloa was functioned as the Engineer of the contract who is responsible for certifying payments for the work done as well as member of Technical Evaluation Committee of the University, preforming two conflicting roles simultaneously. Certifying works for payments were done by the engineer of the University instead of the engineer of the contract.	Since Engineer /RDA was appointed in the TEC he was not appointed an Engineer to the project. Works Engineer /EUSL is the Engineer to the project and he certified all measurements of bills for payments. Further, the Engineer of the project was the Works Engineer/EUSL and he certified all the estimates and bills for the work. No involvement from the Engineer/RDA as Engineer of the project.
	• Two extensions had been granted to the contractor for the execution without supporting document contrary to section 28 Condition of Contract ICTAD/SBD/14 of 2007 and section 8.14.1 of Procurement Guideline - 2006 respectively.	According to the Procurement Guideline Reference: 4.2.2, the Construction period could be allowed 30 weeks (7.5 months) for this work and considering of urgency it was decided to complete the work within one-month period but due to the unforeseen rain and flood in this area, we were compelled to grant the extension.
xi.	Endowment funds, which were provided by the donors to award scholarships to students had not been used effectively. Balances on these account as at 31 <sup>st</sup> December 2018 were Rs. 7,704,356 and interest income earned by these funds were Rs. 576,808. However only Rs.191,250 had been utilized during the year under review.	Not admitted. At present only 38 Endowment Fund Accounts available not 59 as you mentioned. The nature of funds is created to provide the monitory award to the best performance of the students in the respective academic year from the interest earned principle endowment amount. If eligibility requirements are not met, award will not be provided In the particular year. In the year under review based on the eligibility payment has been made.

xii.	Grants amounting to Rs. 1,000,000 and Rs 1,000,000 received from University Grant Commission to carry out the Center for Gender Equity or Equality Cells Establishment of Reservation and Conservation Unit in Library respectively. However, these grants had not been utilized and remained in the account for the intended purposes more than 02 years.	The following activities of the project are in progress. Due to the strike of the students many workshops for the students were cancelled and postponed and then the students went on review period and examination. So it could not be conducted. The other purchasing such as capital items are in progress. The international girl child day was conducted in 2016 and planned for 2017 onward but could not conducted due to the student unavailability. All activities to be rescheduled
xiii.	The university had allocated a sum of Rs. 9,998,812 to a Professor and Senior Lecturer who had presented their research proposals during the period from the 2015 to 2017 and out of that. a sum of Rs. 1,500,000 had been obtained by the respective lecturers as research grant. Nevertheless, the aforesaid lecturers had not forwarded the research report even up to now.	<ul> <li>a) Only one thematic grant (two years project) and the research was started in 2016 and extended up to November 2019 and Report would be submitted by end of December 2019.</li> <li>b) Other normal grant (two years), started in 2016 and extension was given up to April 2019 and Researcher was already requested to submit the Final Report.</li> </ul>
xiv.	The permanent approved cadre of the academic staff is 284, and the actual cadre is 204. Out of the 80 vacancies, 23 vacancies had been professors. Even though. vacancies remained in the academic staff, four lecturers had been granted sabbatical leave.	<ul> <li>Not admitted</li> <li>The University took action to advertise the academic posts in many occasions from the year 2012 to 2018. Appointments were made where suitable candidates were present. However appointments were not made to the cadre vacancies during this period due to the following reasons;</li> <li>No suitable candidates applied for some fields with relevant qualifications.</li> <li>Response was very minimal from those who have qualifications under medical category due to less attractive remuneration package in the University system.</li> <li>Some of the Professor Cadre vacancies have been filled by Professors / Senior Lecturers on Sabbatical appointment at the Faculty of Health Care Sciences.</li> </ul>

Ref. No.	Audit Paragraph	<b>Management Response</b>
xv.	The number of vacancies in the non - academic staff had been 93. Action had not been taken to fill these vacancies.	As per the UGC Circular No. 876, the external recruitment for the post of Minor Employees and Management Assistant should be done by obtaining the name list from the Ministry of Higher Education. Since we have not received the list it could not be proceed.
xvi.	In terms of the Letter No.NP/SP/SDG/17 of 14 August 2017 on sustainable development issued by the Secretary to the Ministry of National Policies and Economic Affairs and the "2030 Agenda" for Sustainable Development of the United Nations, the University was aware of the manner in implementing the functions that come under its scope. However, action had not been taken to identify the sustainable development goals, targets relating to those functions and focal points to reach those targets and indices for measuring the achievement of targets.	Not Admitted. EUSL has already considered this concept in the Strategic Plan 2019 to 2023 which is in under discussion at Council.
xvii.	<ul> <li>Attention of the University had not been to the matters pointed out in previous Auditor General report and corrective action had not been taken to rectify the issues undermentioned.</li> <li>a) Fund received from Norwegian University of Science and Technology (NTNU) linked with foreign Funded project for the human Capital Development of the Academic staff of the Eastern University amounting to Rs. 6,296,639 had been kept in the current account from 2011 without utilizing for the intended purpose and not been effectively used up to the date of this report.</li> </ul>	Not Admitted. It has been deposited on the fixed deposit on 30-11-2018 and will be used for intended purpose whenever arise
	<ul> <li>b) According to the Corporate Plan Guide line specified in the Public Enterprise Circular PED/12 of 02 June 2003 and Public Finance Circular 01/2014, Corporate Plan should have adequate information about the whole entity and its Ultimate goal during the period of five consecutive years from beginning of the current year to next four years.</li> </ul>	Partially Admitted. As per the recommendation of the Senate, the draft report of the Strategic Plan for the period of 2019–2023 has been submitted to the Council by the Chairman/SPSU which incorporated the new benchmarks such as Sri Lanka Quality Framework (SLQF), Institutional Review Manual (IR), and the Program Review Manual year and in accordance with the public Enterprise Circular No.PED/12 of 02.06.2003.

# (Annexure)

# 9. Notes to the Financial Statements for the year ended 31<sup>st</sup> December 2018

# EASTERN UNIVERSITY, SR LANKA

# 1. <u>Corporate Information</u>

# 1.1. Domicile and Legal Form

The Eastern University, Sri Lanka is a statutory body incorporated under the Universities Act No: 16 of 1978 from 1<sup>st</sup> of October 1986 and it is located at Vantharumoolai, Batticaloa. The University was preceded by the Batticaloa University College established on 1<sup>st</sup> of August 1981.

# **1.2.** Principal Activities and Nature of Operations

The principal activities of the Eastern University, Sri Lanka are promotion of higher learning and research activities in keeping with National Policy by providing higher learning facilities to the students.

# 1.3. Trincomalee Campus

The Trincomalee Affiliated University College (AUC) which was established in April 1993 under Ordinance No: 1 of 1993 by the Universities Act No: 16 of 1978 was amalgamated with the Eastern University with effect from 15.06.2001 by Gazette Notification dated 06.06.2001. The Financial Management of the Trincomalee Campus is under the purview of the Eastern University. The Trincomalee Campus is obtained release of fund for Recurrent and Capital Expenditure directly from the General Treasury. The financial transactions of the Trincomalee Campus are incorporated into the accounts of the Eastern University, Sri Lanka.

# 1.4. Consolidated Financial Statements

Consolidated Financial Statements of the Eastern University, Sri Lanka, as at and for the year ended 31<sup>st</sup> December 2018 encompass the Main University and the Trincomalee Campus.

# 1.5. Date of authorization for issue

The Consolidated Financial Statements were authorized for issue to the Auditor General Department by the Council at its 286<sup>th</sup> meeting held on 17<sup>th</sup> April 2018.

# **1.6. Financial Period**

The financial period of the University represents twelve months period from 1<sup>st</sup> January 2018 to 31<sup>st</sup> December 2018.

# 2. <u>Summary of Significant accounting policies</u>

## 2.1. General accounting policies

The Financial statements of the University have been prepared in accordance with Sri Lanka Public Sector Accounting Standards (SLPSAS) promulgate by the Institute of Chartered Accountants of Sri Lanka.

Whereas there is no standard stipulated in the SLPSAS, The Sri Lanka Accounting Standards (LKAS/SLFRSs) and International Public Sector Accounting Standards (IPSASs) had been followed. The Financial Statements for the year ended 31<sup>st</sup> December 2018 are presented in the formats that were introduced by the Department of Public Enterprises by Circular No: PED/19 of 19<sup>th</sup> December 2003 and adopted by the University Grants Commission by the Finance Circular No: 2/2004 of 23<sup>rd</sup> January 2004 with suitable modifications where necessary.

The principal accounting policies applied in the preparation of the financial statements are set out below. These policies have been consistently applied to all periods presented in the financial statements unless otherwise stated.

# 2.2. Basis of preparation of Financial Statements

# 2.2.1. Statements of Compliance

These financial statements comprise the Statements of Financial Position, Statement of Financial Performance, Statement of Changes of Equity and Net Assets, Statement of Cash flows and Notes to the Financial Statements. These financial statements have been prepared in accordance with the Sri Lanka Public Sector Accounting Standards (SLPSAS).

## 2.2.2. Basis of Measurement

The financial statements have been prepared on historical cost basis.

# 2.2.3. Comparative Information

Comparative information including quantitative, narrative and descriptive information is disclosed in respect of the previous period for all amounts reported in the financial statements in order to enhance the understanding of the financial statements of the current period and to improve comparability.

Where necessary, comparative figures have been re-arranged to conform to the current year's presentation.

# 2.2.4. Functional and presentation currency

The financial statements are presented in Sri Lankan Rupees (Rs), functional and presentation currency of the University, which is the primary economic environment in which the University operates.

All financial information presented in Sri Lankan Rupees has been rounded to the nearest rupee, unless stated otherwise.

# 2.2.5. Translation of foreign currency transaction

Transactions in currencies other than Sri Lanka Rupees are converted into Sri Lanka Rupees at rates which approximate the actual rates at the transaction date. At the reporting date, monetary assets (including securities) and liabilities denominated in foreign currency are converted into Sri Lanka Rupees at the rate of exchange at that date. Non-monetary assets and liabilities in foreign currencies that are stated at historical cost are translated at the foreign exchange rate at the date of the transaction. Realized and unrealized exchange differences are reported in the statement of financial performance.

#### 2.2.6. Materiality and Aggregation

Each material class of similar items is presented separately in the financial statements. Items of a dissimilar nature or function or are presented separately unless they are immaterial.

#### 2.3. Assets and the bases of their valuation

## 2.3.2 Property, plant and equipment (PPE)

#### a. Recognition and measurement

All Property, plant and equipment are initially recorded at cost less accumulated depreciation and any impairment losses.

Significant components of an asset are identified and depreciated separately. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity derecognizes the replaced part and recognizes the new part with its own associated useful life and depreciation.

All other repair and maintenance costs are recognized in the Statement of Financial Performance as incurred.

#### b. Cost

The cost of property, plant and equipment comprises its purchase price and any directly attributable cost of bringing the asset to working condition for its intended use.

Property, plant and equipment is stated at cost, excluding the costs of day-to-day servicing, less accumulated depreciation and accumulated impairment in value. Such cost includes the cost of replacing part of the property, plant and equipment when that cost is incurred, if the recognition criteria are met.

## c. Additions

The cost of an item of Property, plant and equipment is recognized as an asset if it is probable that future economic benefits or service potential associated with the item will flow to the University and the cost of the item can be measured reliably. In most instances, an item of Property, plant and equipment is recognized at its cost. When an asset is donated, it is recognized at fair value as at the date of acquisition.

## d. Disposals

Gains and losses on disposal are determined by comparing the proceeds with the carrying amount of the assets, and are included in the Statement of Financial Performance.

#### e. Subsequent costs

Costs incurred subsequent to initial acquisition are capitalized only when it is probable that future economic benefits or service potential associated with the item will flow to the University and the cost of the item can be measured reliably. Expenditure incurred to replace a component of an item of property, plant and equipment that is accounted for separately, including major inspection and overhaul expenditure, is capitalized. Other subsequent expenditure is capitalized only if it is probable that the future economic benefits or service potential embodied within the part will flow to the University and its cost can be measured reliably.

# f. Depreciation

Depreciation is provided on a straight –line basis on all property, plant and equipment other than land, at rate that will write off the cost of the asset over their useful lives.

Depreciation is provided at the following rates on their cost as per the UGC Circular No: 649 of 5<sup>th</sup> October 1995.

Buildings		5%
Office Furniture		10%
Plant and Machinery	10%	
Office Equipment		20%
Books and Periodicals	20%	
Vehicles		20%
Cloaks		20%
Telephone		20%

According to the Accounting Policies of the University, Depreciation of an asset begins when it is available for use. *i.e.*, when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. Depreciation of an asset ceases when the asset is derecognized".

# g. De recognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de recognition of the asset calculated as the difference between the net disposal proceeds and the carrying amount and included in the Statement of Financial Performance in the year when the asset are derecognized.

## 2.3.2 Work in Progress

Capital work-in-progress is stated at cost, less any impairment losses. These are expenses of a capital nature directly incurred in the construction of property, plant and equipment awaiting capitalization. Capital work-in-progress would be transferred to the relevant asset category in property plant and equipment, when it is available for use. *i.e.* when it is in the location and condition necessary for it to be capable of operating in the manner intended by the university.

## 2.3.3. Intangible Assets

## a. Recognition and measurement

An intangible asset is recognized if it is probable that future economic benefits associated with the assets will flow to the Institute and the cost of the asset can be reliably measured.

Intangible assets acquired separately are measured on initial recognition at cost. Following the initial recognition, where the cost model is applied, assets are carried at cost less any accumulated amortization and accumulated impairment losses.

## **b.** Amortization

Amortization is provided on a straight-line basis on all intangible assets of finite life, at rates that will write off the cost or value of the assets over their useful lives.

Intangible assets are amortized on the following bases:

- Fixed Assets Register software is amortized over a period of five (05) years on straight line method.
- Computer software and other intangible assets are amortized over a period of five (05) years on the straight line method.

## c. De recognition

Gains and losses arising from de recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Financial Performance when the assets are derecognized.

# 2.3.4 Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions, the cost of the inventory is its fair value at the date of acquisition.

After initial recognition, inventories are measured at cost based on the First in First out (FIFO) basis and the value of the stock held by the Academic/ Administrative departments has been excluded from the expenditure.

# 2.3.5 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, cash at bank, deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amount of cash and are subject to insignificant risk of changes in value.

Bank overdraft is included as a component of cash and cash equivalents for the purpose of the statement of cash flows, which has been prepared using the 'indirect method'.

## 2.4. Liabilities and Provisions

## 2.4.1. Liabilities

Liabilities classified as current liabilities on the statement of financial position are those which fall due for payment on demand or within one year from the reporting date. Non-current liabilities are those balances that fall due for payment after one year from the reporting date. All known liabilities have been accounted for in preparing these financial statements.

## 2.4.2. Provisions

A provision is recognized in the statement of financial position when the University has a legal or constructive obligation as a result of a past event, it is probable that an outflow of assets will be required to settle the obligation and the obligation can be measured reliably. Provisions are not made for future operating losses. For certain operational claims reported as provisions, it is not practical to disclose detailed information on their corresponding nature and uncertainties.

## a. Employee benefits

## i. Provision for Gratuity

Provision for Gratuity is made in terms of Payment of Gratuity Act No: 12 of 1983 for all eligible employees. The provision for grant is not represented by the investment since the Treasury does not provide financial allocation to make investment externally.

Defined benefit plans estimate the amount of benefit that an employee will receive on retirement, usually dependent on one or more factors such as age, years of service and compensation.

#### ii. Defined contribution plans

A defined contribution plan is a post-employment plan under which an entity pays fixed contribution into a separate entity and will have no legal or constructive obligation to pay a further amount.

Obligations for contributions to defined contribution plans are recognized as an expense in the Statement of Financial Performance as and when they are due.

#### • University Provident Fund (UPF)

University employees are required to contribute 10% of their monthly salary to the Universities Provident Fund, the University in turn contributes a sum equivalent to 08% to the Universities Pension Fund, 07% to the University Provident Fund (UPF).

#### • Employees' Trust Fund (ETF)

The University contributes 3% on the salary of each employee to the Employees 'Trust Fund.

#### 2.4.3. Contingent Liabilities

The university does not recognized a contingent liability, but disclosed details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

#### 2.4.4. Contingent Assets

The university does not recognized a contingent asset, but disclosed details of possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future event not wholly within the control of the university in the notes to the financial statements

### 2.5. Accounting for the receipt and utilization of funds, grants and reserves

#### 2.5.1. Restricted Fund

Where grants/donations are received for use in an identified project or activity, such funds are held in a restricted fund accounts. Unutilized funds are held in their respective fund accounts and included under accumulated fund and reserves in the statement of financial position until such time as they are required. The University has accounted the following funds and grants as restricted funds.
