Eastern University Ushers in 2025 with Traditional New Year Ceremony

The Eastern University, Sri Lanka ceremoniously commenced its official duties for the New Year 2025 with a traditional and dignified event held on the 1st of January 2025 at 8.30 a.m. at the University premises.

The ceremony began with the hoisting of the National Flag by Prof. V. Kanagasingam, Vice Chancellor, and the University Flag by Mr. A. Pahirathan, Registrar, followed by the singing of the National Anthem. A two-minute silence was then observed in remembrance of all who had sacrificed their lives for the nation. Blessings were invoked by religious dignitaries representing major faiths, after which the University staff collectively recited the Public Service Oath, reaffirming their commitment to duty and service.

The Vice Chancellor, Prof. V. Kanagasingam, delivered an inspiring New Year Address, highlighting the vision and goals for the year ahead. The event concluded with a Vote of Thanks proposed by Mr. V. Navirathan, Deputy Registrar (Non-Academic Estbs.).

In keeping with tradition, the gathering was followed by the sharing of milk rice (kiribath) and milk, symbolizing peace, prosperity, and unity as the University community embarked on another year of academic excellence and service.

Embracing Diversity: Eastern University and Sri Sathya Sai University for Human Excellence Host 3rd International Conference (ICMR 2025)

The Centre for Multidisciplinary Research of the Eastern University, Sri Lanka, in collaboration with the Sri Sathya Sai University for Human Excellence, India, successfully organized the 3rd International Conference on Multidisciplinary Research (ICMR 2025) under the inspiring theme “The Power of Diversity” on the 3rd and 4th of January 2025 at the Nalliah Auditorium, Eastern University, Sri Lanka. Sadguru Sri Madhusudan Sai, Founder of the Sri Sathya Sai University for Human Excellence, India, graced the conference as the Chief Guest, adding profound significance to the event.

The Inaugural Session commenced with a Welcome Address by Prof. Rodney Fernando, Conference Secretary, followed by the Inaugural Address delivered by Prof. V. Kanagasingam, Vice Chancellor of the Eastern University, Sri Lanka. A Special Address was presented by Dr. Niraj Gopinath, Consultant in Pain Medicine and Anaesthesia, Sri Madhusudan Sai Institute of Medical Sciences and Research, India. The Keynote Address was delivered by Prof. Terrance Madhujith, Vice Chancellor of the University of Peradeniya, who shared insightful perspectives on multidisciplinary research and the unifying strength of diversity.

The Conference Proceedings were ceremoniously released, marking another milestone in fostering academic collaboration and global scholarly exchange. A Scientific Dialogue on “The Power of Diversity and Sustainability” was conducted before the Vote of Thanks, proposed by Mr. T. Kirupananthan, Senior Lecturer, Eastern University, Sri Lanka. The two-day conference continued with engaging technical sessions held in hybrid mode, featuring numerous research paper presentations that reflected diverse disciplines, innovative ideas, and global perspectives, truly celebrating the spirit of diversity in academia and research.

FACULTY OF AGRICULTURE

Sharpening Research Skills: Workshop on “Literature Search and Reference Managers” Empowers Final-Year Agriculture Students

The Faculty Quality Assurance Cell (FQAC) of the Faculty of Agriculture successfully organized a practical workshop on “Literature Search and Reference Managers” on February 27, 2025. The session was designed specifically for the final-year students of the Faculty of Agriculture to strengthen their research capabilities and academic writing skills.

Mrs. Gayathiri Navirathan and Mr. M.N. Ravikumar, both Senior Assistant Librarians (Grade I), served as the resource persons, guiding students on effective strategies to locate scholarly literature and manage references with ease. The initiative reflects the Faculty’s ongoing commitment to nurturing academically proficient graduates ready to excel in the world of research and innovation.

Cultivating Innovation: Faculty of Agriculture Hosts 4th International Symposium on Agriculture (ISA 2025)

The Faculty of Agriculture proudly organized its 4th International Symposium on Agriculture (ISA 2025) on 06th March 2025 under the timely theme “Innovative Approaches to Modernize Agriculture for Food Security.”

The event commenced with a warm welcome address by Dr. T. M. S. A. Tennakoon, Coordinator of ISA 2025, setting the stage for an inspiring day of scholarly exchange. Prof. (Mrs) P. Premanandarajah, Dean of the Faculty of Agriculture, then addressed the gathering, emphasizing the Faculty’s commitment to driving sustainable agricultural development. Prof. T. Prabakaran, Acting Vice Chancellor, delivered an insightful speech highlighting the University’s dedication to fostering global collaborations. The Chief Guest, Ms. Azusa Kubota from China Agricultural University, China, delivered an inspiring address that resonated with the symposium’s theme.

Eminent keynote speakers, Dr. Yuguang Zhou, Associate Professor in Agricultural Engineering at China Agricultural University, and Dr. Anurudda Kumara Karunaratna, Senior Lecturer in Agricultural Engineering at the University of Peradeniya, shared valuable insights on cutting-edge agricultural practices and research. The inaugural session concluded with a heartfelt vote of thanks by Mr. G. Niroash, Secretary of ISA 2025, marking the success of another milestone in advancing modern agriculture for a food-secure future.

The event also featured the launch of the Symposium Proceedings and an engaging interactive session, the United Nations Development Programme (UNDP) with students, strengthening the link between academia and global development partners. A series of research paper presentations showcased innovative findings, culminating in a closing wrap-up by Prof. (Mrs) P. Premanandarajah.

Empowering Students: Workshop Highlights the Importance of Mentoring and Feedback

A thought-provoking workshop on “The Importance of Student Mentoring and Leveraging Student Feedback” was conducted on March 26, 2025, for the Second-Year Second-Semester (2021/2022) batch of students. The session, held from 2:00 to 3:00 PM, was led by Prof. (Mrs.) Niranjana Rodney Fernando, Coordinator of the Faculty Quality Assurance Cell (FQAC).

The workshop emphasized the crucial role that effective mentoring plays in students’ personal and academic growth, while also highlighting how constructive feedback can be used to enhance the learning experience. Students were encouraged to actively engage with mentors and to see feedback as an empowering tool for continuous improvement.

This initiative reflects the Faculty’s commitment to fostering a supportive learning environment that nurtures confident, self-driven, and reflective graduates.

FACULTY OF ARTS & CULTURE

Building Bridges for the Future: Faculty of Arts and Culture Holds Annual Stakeholder Meeting

The Faculty of Arts and Culture successfully held its annual stakeholder meeting for 2024 on 05 February 2025, bringing together a vibrant gathering of voices committed to shaping the Faculty’s future.

A select group of 60 stakeholders, including Professors of the Faculty, government and private sector officers, employees, and distinguished alumni, came together to share valuable insights and perspectives on the essential skills and capacities needed by future Arts and Culture graduates.

The meeting provided a meaningful platform for open dialogue, ensuring that the faculty remains responsive to the evolving demands of the professional world while equipping students with the knowledge, skills, and values to thrive.

FACULTY OF HEALTH-CARE SCIENCES

Inauguration of the 19th Batch of MBBS Students – Faculty of Health-Care Sciences

The Faculty of Health-Care Sciences, Eastern University, Sri Lanka, proudly inaugurated the 19th Batch of MBBS students for the Academic Year 2023/2024 on 6th January 2025. A total of 113 students were officially enrolled at the ceremony held at the Faculty premises.

The event was graced by the presence of Prof. V. Kanagasingam, Vice-Chancellor, Eastern University, Sri Lanka, and Prof. T. Sathaananthan, Dean, Faculty of Health-Care Sciences, along with Heads of Departments, academic and extended faculty members, new students, and their parents. The newly admitted students were warmly welcomed by the Vice-Chancellor and the Dean, marking the beginning of their promising journey toward becoming dedicated medical professionals.

Validation of Geriatric Assessment Laboratory at the Faculty of Health-Care Sciences

The Faculty of Health-Care Sciences, Eastern University, Sri Lanka, marked a significant milestone with the inauguration and validation of its Geriatric Assessment Laboratory on 24th February 2025 at the Holistic Care Centre. The laboratory was established under the CAPAGE Project, an ERASMUS+ initiative co-funded by the European Union, aimed at promoting academic and professional excellence in health care to address the challenges of aging in Sri Lanka.

The validation was carried out by European partners Senior Lecturer K. Grahn and Senior Lecturer P. Mäki-Natunen from JAMK University of Applied Sciences, Finland, alongside Sri Lankan collaborators, the Senior Academics of the Faculty of Health-Care Sciences, Dr. S. Sujendran, Dr. V. Lokeesan, Dr. K. Karthijekan, Prof. T. Sathaananthan, Prof. K. Arulanandem, and Ms. A.M.S.S. Alahakoon. The laboratory serves as a centre for functional assessment, research, and clinical rehabilitation, offering tailored programs in mobility improvement, pain management, fall prevention, and well-being of older adults. It stands as a hub for teaching, learning, and research in geriatric nursing, empowering healthcare professionals to enhance the quality of life of the aging population.

Family Medicine in Transition: Exploring Emerging Trends and Transformative Solutions

The Family Medicine Clinical Workshop 2025, themed “Family Medicine in Transition: Exploring Emerging Trends and Transformative Solutions,” was successfully organized by the Department of Primary Health Care, Faculty of Health-Care Sciences, Eastern University, Sri Lanka, on 1st March 2025.

The event was graced by distinguished guests, including Dr. Asela Gunawardena, Deputy Director General of Health Services (Chief Guest); Prof. T. Sathaananthan, Dean of the Faculty; Dr. K. Ganeshalingam, Director, Teaching Hospital Batticaloa; and Dr. R. Muraleeswaran, Regional Director of Health Services, Batticaloa, along with other esteemed invitees such as Dr. G. S. P. Ranasinghe, Director of Education, Training and Research, and Dr. Manuri Perera, Deputy Director in Training.

Eminent experts from leading universities and hospitals across Sri Lanka contributed to sessions on postgraduate training, clinical innovation, and emerging healthcare trends. The workshop brought together medical officers, registrars, and medical students, fostering a vibrant platform for professional development, interdisciplinary learning, and collaboration in advancing Family Medicine and Primary Health Care in Sri Lanka.

The event formally commenced with a welcome address delivered by Dr. N. Shobana, Registrar in Family Medicine and Lecturer (Probationary), followed by addresses from the distinguished guests. Prof. K. Arulanandem provided an insightful introduction to the workshop theme. Dr. Asela Gunawardena and Dr. G. S. P. Ranasinghe, who delivered the keynote addresses, emphasized the importance of primary health care services in Sri Lanka and respectively, the significance of continuous professional development.

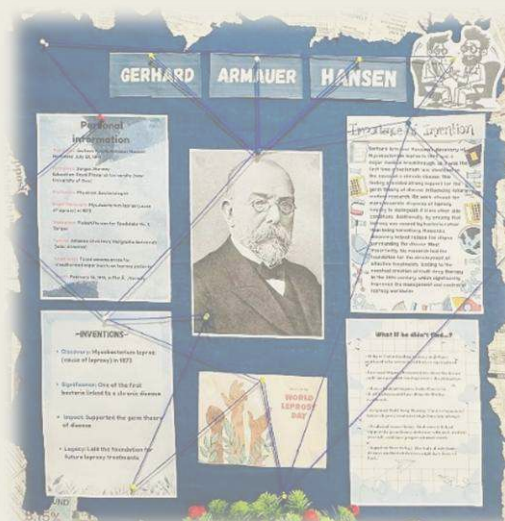

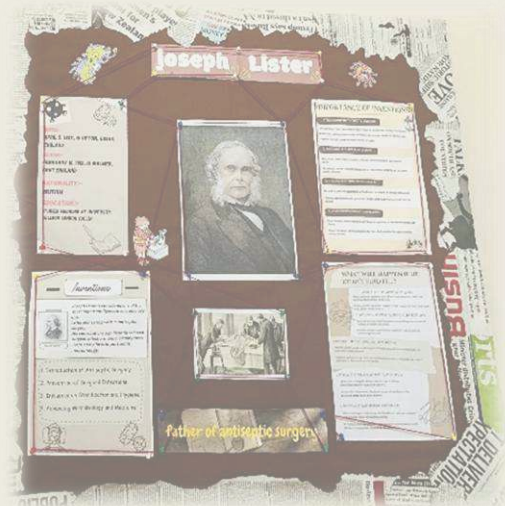

Legends of Microbiology: A Journey Through Discovery and Innovation

The Faculty of Health-Care Sciences, Eastern University, Sri Lanka, came alive on 20th February 2025 as the 17th Batch MBBS students, under the guidance of the Department of Pathophysiology, presented their exhibition, "Legends of Microbiology."

The interactive event featured six creatively themed stalls, highlighting the groundbreaking achievements of legendary microbiologists. From AI-powered videos of Antonie van Leeuwenhoek and Robert Hooke, to engaging quizzes, games, and hands-on activities on John Snow, Edward Jenner, Robert Koch, Ignaz Semmelweis, Louis Pasteur, Alexander Fleming, Joseph Lister, and Gerhard Henrik Armauer Hansen, students brought microbiology to life in a fun and educational manner.

Praised for its creativity, innovation, and student-led execution, the exhibition inspired curiosity and learning, leaving attendees eagerly anticipating next year's event.

FACULTY OF COMMERCE & MANAGEMENT

Opening Ceremony of the Department of Accounting and Finance

The Department of Accounting and Finance at the Faculty of Commerce and Management, Eastern University, Sri Lanka, was officially inaugurated on 1st January 2025.

The event was graced by Prof. V. Kanagasingam, Vice-Chancellor of Eastern University, Sri Lanka, as the Chief Guest, Prof. T. Pirabakaran, Deputy Vice-Chancellor, as the Guest of Honour, and Prof. T. Velnamby as a Special Guest. The ceremony was organized under the leadership of Prof. N. Rajeswaran, Dean of the Faculty of Commerce and Management.

The event witnessed the participation of Deans of the Faculties, Heads of Departments, Senior Lecturers, Lecturers, and both academic and non-academic staff, marking a moment of pride for the Faculty and the University. Mr. T. Thayaraj was officially appointed as the Head of the Department of Accounting and Finance, symbolizing a new chapter in strengthening financial and accounting education at the University. The ceremony concluded with a Vote of Thanks delivered by Mr. T. AWARDS

Senior Prof. S. Thirukkanesh Places Eastern University on Asia's Scientific Map

Eastern University proudly celebrates a remarkable achievement as Senior Professor S. Thirukkanesh, Senior Professor in Mathematics, has been prestigiously named among the Top 100 Scientists in the Asian Region by the renowned Asian Scientist Magazine.

<https://www.asianscientist.com/as100/#2024>

This distinguished recognition highlights Senior Professor Thirukkanesh's exceptional research contributions to mathematics and cements his reputation as one of Asia's brightest scientific minds. The Asian Scientist 100 list annually honours researchers whose work has had a transformative impact in their fields, and this honour stands as a testament to the global standard of research excellence emerging from Eastern University.

This proud moment not only reflects Prof. Thirukkanesh's dedication and scholarly excellence but also shines a spotlight on Eastern University's growing influence and visibility within the international research community.

Pride of Eastern University, Sri Lanka: Mr. K. Balashangar Shares in the 2025 Breakthrough Prize in Fundamental Physics

Mr. K. Balashangar, the Senior lecturer and the Head of the Department of Physical Science attached to the Trincomalee Campus, has been recognized as one of the members of the research team honoured with the 2025 Breakthrough Prize in Fundamental Physics, one of the world's most prestigious scientific awards, often dubbed the "Oscars of Science."

This year's award celebrates the exceptional contributions of the CERN experiments (ATLAS, CMS, and ALICE) for their groundbreaking advancements in particle physics. Mr. Balashangar, as part of the CMS collaboration, made significant contributions during his PhD research, particularly in the GEM detector development, which played a crucial role in the success of the experiment. This proud moment elevates the Trincomalee Campus to international prominence and underscores the invaluable role Sri Lankan researchers continue to play in shaping the world of modern physics.
